REISSUE APPLICATION DECLARATION AND POWER OF ATTORNEY BY THE INVENTOR

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor of the subject matter which is described and claimed in patent number 6,365,254, granted April 2, 2002, for which a reissue patent is sought on the invention entitled ROLL STABILIZING RELEASE LINER , the specification of which:

- ☐ is attached hereto.
☒ was filed on April 1, 2004 as reissue application number 10/817,439.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I believe the original patent to be wholly or partly inoperative or invalid for the reasons described below: (Check all boxes that apply.)

- ☐ by reason of a defective specification or drawing.

At least one error upon which reissue is based is that each of claims 1-21 and 31-34 define the subject invention too narrowly in that each of the claims does not more broadly recite the use of a layer comprising an ethylene vinyl acetate for roll stability of a double-sided adhesive tape assembly.

At least one other error upon which reissue is based is that each of claims 22-30 and 35-39 define the subject invention too narrowly in that each of the claims does not more broadly
